U.S., Great Britain Informed Of Japan's Position In Orient

Foreign Minister Hachiro Arita Reported to Have Spoken Frankly to Joseph Grew and Sir Robert Craigie in Tokyo

LOW RATE IS EXPECTED FOR DEBT REFUND

Re-Issue On \$157,000,000 May Be Made At 3 Per Cent.—Mullen

Refunding of the Alberta public debt of \$157,000,000 is expected to be carried out at an interest rate not exceeding three per cent. Hon. D. B. Mullen, minister of agriculture, stated in addressing a public meeting at Westmount, Quebec, last night, 117 street, on Thursday evening.

Crisis A. Kennedy, M.P. for East Edmonton, also spoke.

Arranged by the Edmonton Social Credit constituency association, this was one of a series of four meetings scheduled for Messrs. Mullen and Kennedy this week.

R. W. Armstrong was chairman.

STRONG DEFENCE

Strong defence was given by Mr. Mullen of the government's action in reducing coupon payments on provincial debentures by 50 per cent.

In these days, he said, it is a general thing for people to talk in terms of two and three per cent interest.

"We expect to have our debt refunded and it won't be over three per cent," he said.

Mullen declared that the women's extension service of the agriculture department, which was abolished three years ago, will be re-established this winter and continued next year. It is expected that

UKRAINIANS OF POLAND DEMAND FULL AUTONOMY

WARSAW, Dec. 9.—The Ukrainians of Poland today demanded autonomy in a motion presented by their representatives to the Polish Diet.

The motion proposed a new constitution for the Ukrainian districts, the total population of which is 7,000,000. The districts involved are Volyn, Galicia, Bukovina, Krynka, Lublin, Polesia, Bialostok, and a part of the district of Lwow. The Ukrainians call these territories "Halicia and Volhynia."

Under the proposed constitution the Ukrainian regions of Poland would be united under an autonomous government and Diet which would concern itself exclusively with local affairs.

Questions of foreign policy, defence and finance would continue to be handled by the Polish parliament, but any international accord concluded by Poland which affected the vital interests of the country would have to be approved by the Ukrainian Diet.

France Will Fight Only Paris Sources Claim Italy's Military Chances Of Attacking and Seizing Tunisia Are Zero

By CHARLES FOLTZ
Associated Press Foreign Staff

PARIS, Dec. 9.—Sources close to Premier Daladier said today France would fight, if necessary, to defend Tunisia, but claimed that Italy's military chances of attacking and seizing the colony from Libya or from the sea were "zero."

These sources viewed the Italian campaign for the French protectorate simply as "propaganda advance guard" for other and more temperate demands concerning the rights of Italians living in Tunisia.

Reports that Italian troops were massing in insurgent Spain near the French frontier, however, were said to be receiving the closest attention of the war ministry.

French military sources said that if the reports were confirmed the defence ministry might increase French fortifications and take additional precautions by strengthening troops in that region.

Reports received here yesterday from the border said 8,000 Italian troops had been massed in northern Spain.

French military sources, although of the opinion that the Italian troops pointed out Tunisia had been the eastern outpost of France since 1883, as such, had long been well-provided.

LIBYA VULNERABLE
On the other hand, Italy's adjoining colony of Libya was said by French military experts to be particularly vulnerable and later organizations and no representation have been positioned to respond to them.

RELIEF DEPOT CLOSE DENIED CRIME CAUSE

"Statement All Haywire," Comment From Administration Building

Relief, represented on Thursday by Mayor J. W. Fry, that the crime wave sweeping this city, is attributable to the condition of the dump kitchen, is entirely erroneous and without foundation, according to officials of the provincial Bureau of Relief and Public Welfare.

"Such a statement cannot be substantiated and is all haywire," declared one official.

In commenting on Mayor Fry's statement, the officials declared that:

"There are no soup kitchens in British Columbia; none in Saskatchewan and none in Ontario and we hear of no crime waves there. The mere absence of a crime kitchen does not produce a crime wave. Furthermore, I note in a Friday newspaper that the last three crimes committed in Calgary were by members of families in moderate circumstances. The soup kitchens were abolished at the request of the unemployed and later organizations and no representation have been positioned to respond to them."

FARM POSITIONS
Continuing the official pointed out that there are several hundred farm positions available today and they are going unfilled. They are available to the physically fit single men unemployed.

For the men not physically fit, he said, there are well equipped camps at Medicine Hat, Edmonton and Calgary.

YOUTHS UNDER ARREST FACE HOLDUP COUNT

Pair Reported To Have Confessed Attempt to Rob Tram Motorman

Kelvin J. Frouz, 18, of 1282 67 street, and Walter Adams, 20, who is a student at the University of Alberta, were arrested today by the Edmonton police. They were charged with attempted armed robbery of tram motorman Frederick Parkman Tuesday night.

The arrest was made by Detective Frank Kingzett of the city police and Constable W. Sturton, and the youths are reported by police to have made a full confession.

The holdup failed when the motorman, the attendant and fired at the fleeing men with their own sawed-off 22's.

The two youths spent the night in city police cells and were to appear in court today.

Acting on information received following publication of a description by the motorman of the youths who had threatened him, and a description of the weapon, the detectives went to Privy's home and made the arrest.

MONEY FOR CHRISTMAS
Tall and fair-haired, Walter Adams, in his statement to police which was read to the court by Detective Frank Kingzett, stated that he was the one who held the gun at the time of the attempted holdup. He said he was looking for money to rob the motorman that he had met on his way home for Christmas, since they are in rather straitened circumstances at present.

Neither of the youths had anything to say, other than to plead guilty to the charge.

SHUTE WARNS CITIZENS ON HOME THEFTS

Chief Advises Household-ers To Watch Strangers — Lock Doors

In an effort to cope with the serious increase in the number of burglaries reported to the city during the past few weeks, Chief of Police A. G. Shute issued a warning Friday to Edmonton citizens to "under no conditions should they permit any stranger to enter their home unless they first see the satisfactory proof of his identity."

"It has come to my attention that several of the homes in the city which have been burglarized recently were visited a day or so before the burglary actually took place by men who posed as police men, or as men from the electric wiring inspectors, and other similar officials," the chief explained.

"In one case that came to my attention last week, a woman who had been burglarized recently was visited by a man who claimed to be a police man and who had been sent to inspect the vacuum cleaner in the home. The lady of the house was deceived and she had not requested that the cleaner be changed, but she had admitted them," Chief Shute said.

"I am convinced that this was a ploy to gain access to the home and to steal the contents," the chief said.

Tory Chiefs Plead For Peace in Ranks As Leader Sought

Both Rowe and Ferguson Deliver Speeches Of Optimism

TORONTO, Dec. 8.—Plans for unity within the party no matter who may be elected leader today were heard Thursday as the Ontario Conservative party opened a convention that will choose a successor to Hon. Earl Rowe.

The plans came from Mr. Rowe and from Hon. G. Howard Ferguson, former leader and premier, who announced Thursday his voice no longer will be heard in provincial affairs.

"I have a lot of faith," said Mr. Ferguson. "I don't like to hear people saying the poor old party is down-and-out, split and beyond repair. That can't be. It won't be."

"In 1920 I started out with nothing but a shotgun and a few loads in it. What we did in 1920, '21 and '22 we can do again in '38 and '39 and '40."

NEED LEADERSHIP
What we need is organization under proper leadership. "I am not downhearted despite

HON. EARL ROWE

the signs of division that may worry you," said Mr. Rowe. Elected leader in 1936 and defeated in the general election of 1937, he declared: "I lost an election but I saved a party."

"I ask you as your retiring leader that no matter who you may select you join with me to keep the Con-

Liberal Withdraws As Candidate In Dec. 21 By-Election

PERTH, Scotland, Dec. 8.—After conferring with Sir Archibald Sinclair, Liberal party leader, Mrs. C. A. Macdonald Thursday announced her withdrawal as Liberal candidate in the by-election in Kinross and Western Perth Dec. 11.

This leaves two candidates in the field, the Duchess of Atholl, who resigned the seat in order to re-contest it as an independent after the local Conservative organization had repudiated her, and W. MacNair Shadden, Conservative.

servative party a great united force in Canada.

More than 1,500 are expected to participate in the balloting this afternoon.

The leadership picture was unchanged last night. There are four announced candidates, Col. Drew, Hon. Earl Lawson, M.P., William Houghlin and Sir Norman Robson.

There was an expectation among the delegates that Mr. Rowe would say something about Col. Drew's candidature. The latter resigned as Conservative organizer just before the 1937 election because he disagreed with Mr. Rowe's labor policy.

What most delegates considered was the only reference to Col. Drew by Mr. Rowe was in these words: "Who is here among you so doubtful a Conservative that he would form a coalition with our common enemy, the man whom I have defended."

Date Bureau for Boys and Girls Planned Saskatoon

SASKATOON, Dec. 8.—A date bureau, sponsored by a group of university students, will operate in Saskatoon. It was announced Friday by Bill Pomer, medical student who said he would manage the bureau from the house where he boards.

Twelve clad, well-groomed young men will be available to the girls, and the lonely males will be provided with girls that can cook like mother, dance, ski or do anything their little hearts may desire in the way of entertainment.

Mr. Pomer said the bureau would be patterned on similar clubs set up in the United States. There were many young people studying here who had few friends in the city. To these, the date bureau, with its guarantee of supplying the kind of girl or boy desired, with every precaution as to character, manners, dress and abilities, would prove a boon, he thought.

"We are compiling lists of boys and girls willing to accept engagements," Mr. Pomer explained, adding: "We expect to be pretty busy."

Wife Rebels As Husband Raises Chickens In Home

CLEVELAND, Dec. 8.—A would-be "gentleman farmer" husband who tried to convert her home into a combined rabbit farm and chicken and turkey hatchery proved too much for Mrs. Minnie Adeline Shipper. She fled out for divorce from hubby Paul A. Shipper.

Mrs. Shipper told Judge Samuel H. Robert that lack of a farm did nothing to deter her husband's ambitions for farm life. He acquired 60 chickens, which he installed in the house, bought several rabbits which proceeded to increase in numbers as they rabbit on, and then set up a turkey ranch in the basement.

Money Taken Out Of Germany In Sale Of Hops

HARWICH, England, Dec. 8.—Now a German refugee smuggled 15,000 (150,000) out of Germany in the middle of a sale of hops was told today by customs officials here.

The anxious consigner met a German hop shipment personally, they said, claimed the money hidden in a tub inside one of the bales and headed for Kenya colony in East Africa.

The refugee said the money was his entire fortune and that currency exportation restrictions prevented him from bringing it out of Germany.

ARMS USELESS ON A WET DAY

Rheumatic Pains Relieved by Kruschen

Here is a noteworthy instance of the manner in which damp weather can affect the joints of one who is subject to rheumatic pains. "I had been suffering from rheumatism very badly," a man writes, "and had such pains in my joints that I could hardly bear it, on a wet day especially. It pained me terribly to use my arms, and I was hardly able to work. I tried two different remedies, but I was still as bad after the treatment. "Then I was told to try Kruschen Salt, which quickly brought relief. So of course I have kept on with it, and I am now much better and have never felt so fit for years. I used to feel so miserable and sluggish, but now it is a pleasure to be able to work."—B.H.

The pains and stiffness of rheumatism are often caused by uric acid crystals in the muscles and joints. The numerous salts in Kruschen assist in stimulating the internal organs to healthy, regular activity, and help them to eliminate excess uric acid.

Atmosphere of Old Mexico Is Caught In New Lunch Room

At the Merrick Drug Store in the Birks building on Saturday it will be just one step from a modern drug store to the tangy atmosphere of snapping castanets and rousing toreador songs, as the new Mexicali tea room just back of the drug department on Jasper avenue is formally opened.

Red, green, yellow and blue, the true Mexican colors are carried out in the interior decorating, the fixtures, menus and waitresses' uniforms. Only one of their type in Edmonton, circular booths, finished in green leather upholstery provide accommodation for 60 customers.

NO SILLS

No door jamb or sill mars the entrance to this spot of old Mexico for an arch cut in the wall in Mexican style, and nine pictures each depicting a scene in the everyday life of that Latin people are arranged around the cream walls in picturesque circular frames. Lighting effects are achieved by tubular lights on mirrors surmounted by small canopies, and painted to resemble miniature balconies.

Around the entire room is a large canopy of red metal, and every detail in color and style has been carried out as far as possible in strict keeping with the authentic tea rooms in Mexico. Tables are circular and placed on pedestals. Made of natural hardwood, they are topped with bleached maple centers by so attractive design.

ACCESSORIES

Weather Forecasts Predict Dry, Fairly Mild Weather For Dominion Final—Gainer Case Still Undecided

WINNIPEG, Dec. 8.—While Winnipeg Blue Bombers race through final drills at Oakville, Ont., in preparation for the Dominion football final with Toronto Argonauts Saturday, hundreds of fans here are digging into pay cheques to "bet their shirts" on the western champions. Never has enthusiasm over a sporting event gripped Winnipeg as has Saturday's final.

Estimates here place wagers from \$10,000 to \$20,000 and many believe \$25,000 will be a closer guess by game time. It generally is conceded here that "professional money" involved in betting is negligible. Rather, small bets, many by people who "never bet," is believed to make up the greater part. Many wagers consist of pools of \$50 to \$100.

It is believed Winnipeg fans will have a winning edge over the Toronto Argonauts. The Winnipeg Blue Bombers are betting their shirts on the Winnipeg Blue Bombers.

Light Rain and Snow Are Expected Before Saturday; Weather Clearing Before Game

TORONTO, Dec. 9.—Weather Forecaster Frank O'Donnell, who is expected to see the game from the stands, says Winnipeg Blue Bombers and Toronto Argonauts will play Saturday in dry, fairly mild conditions.

If O'Donnell is right, and usually he is, Toronto will have a better chance. The Winnipeg Blue Bombers are betting their shirts on the Winnipeg Blue Bombers.

Southern California Grid Mentor Was Kicked Around All Year, But He's Tops Today

BOSTON United Press Wire Service to The Edmonton Bulletin

LOS ANGELES, Dec. 8.—I don't think anyone in the United States would blame Edward Jones if today he lost his patience and understanding long enough to tell the Southern California Athletic Control Board that it was small, petty, and could quietly go to—well, you know where.
